Pinnacle Stone Products Launches YouTube® Channel

Parkesburg, PA – [Pinnacle Stone Products \(www.pinnacleveneer.com\)](http://www.pinnacleveneer.com) producers of the finest [100% natural thin stone veneer](#) that delivers the rich look of traditional stone masonry to any project, is proud and excited to announce its official YouTube channel.

Visitors to the site at www.youtube.com/PinnacleStone can currently view before and after videos of [fireplaces](#), [home exteriors](#) and [outdoor kitchens](#) transformed into stone. [Pinnacle Stone Products](#) will continue to expand the catalog of videos available on its [YouTube channel](#) to include [installation](#) demonstrations, advanced masonry techniques, unique design applications and additional before and after videos highlighting spectacular home and project transformations using Pinnacle Thin Stone Veneer.

Steve Wagner, Marketing Coordinator for Pinnacle Stone Products, stated, “Our YouTube channel has allowed us to share dramatic project transformations that may have taken days or weeks, with homeowners, builders, architects and masons in about one minute, in a format that gives the viewer a true understanding of the beauty, refinement and permanence that our natural thin stone veneer provides.”

About Pinnacle Stone Products

Established in 2007, [Pinnacle Stone Products](#) produces [100% natural thin stone veneer](#) products for use in residential and commercial building projects. Our unique products are hand-selected for exceptional color and texture from any one of over 50+ quarry operations owned by our parent companies. We are committed to producing the finest natural [thin stone veneer](#) product available that provides an unmatched, lasting beauty. When it comes to [thin stone veneer](#) products, “There’s Nothing like Natural.”

About YouTube

Founded in February 2005, YouTube allows billions of people to discover, watch and share originally-created videos. YouTube provides a forum for people to connect, inform, and inspire others across the globe and acts as a distribution platform for original content creators and advertisers large and small.
