Pinnacle Stone Products Featured in Stone World Magazine

April's [Stone World Magazine](#) is focused on thin stone veneer, which includes an eight page profile on [Pinnacle Stone Products](#) (Pinnacle) and their manufacturing facility in Parkesburg, Pennsylvania.

Below is an excerpt from the article, the full article can be accessed [here](#).

Less than two years ago, [Pinnacle Stone Products](#), LLC of Parkesburg, PA, was formed as a collaborative effort between [The H&K Group](#), based in Skippack, PA, and [Brandywine Quarry](#) of Parkesburg. Sitting on nearly five acres of land, [Pinnacle Stone Products](#) has invested in modern equipment to exclusively produce thin stone veneer from a diverse lineup of materials.

Stone processed by [Pinnacle Stone Products](#) comes from the affiliated quarries operated by [The H&K Group](#) and [Brandywine Quarry](#) — totaling more than 50 sites in all. Prior to the joint venture between [The H&K Group](#) and [Brandywine Quarry](#), the two were competitors — each dabbling in thin stone, according to Stacy Jackson, General Manager of [Pinnacle Stone Products](#). Jackson, who had been working for [The H&K Group](#), was instrumental in bringing the two producers together. "It's taken us to a new level, with the backing of 50-plus quarries and a cohesive, focused approach," he said. "The goal [for [Pinnacle Stone Products](#)] is to produce the best thin stone veneer." ...
